

Certificate of Factory Production Control 1085-CPD-0041

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products

Products and systems for the protection and repair of concrete structures (force transmitting filling of cracks)

PENETRON INJECT

produced by the manufacturer

ICS Penetron International Ltd.

45 Research Way, Suite 203
11733 East Setauket (New York)
USA

in the factory

Allentown (Pennsylvania) / USA

are submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the notified body **ofi** CERT of the **ofi** Technologie & Innovation GmbH, Vienna, Austria has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control. This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standards

EN 1504-5:2004

were applied.

This certificate was first issued on 2009-01-07 and remains valid as long as conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly and latest on

Vienna, 2010-02-22
